Explain the problem with your device: _____

Please try to charge up and power off your device before mailing it in. Send only your device, no case, cable, or adapter. We are not responsible for any additional items.

We will contact you within 24 hours of receiving your device to provide you with an estimate for the repair. Upon your approval, we will email you an invoice where you can pay via PayPal®, debit or credit card. After receiving payment, we will repair your device and ship it back to you immediately.

If you decide not to repair your device, a \$15 shipping fee will be charged to ship your device back to you.

Please include this completed document with your device and mail to:
